

PIONEER & RIMROCK CAMPS AND RETREAT CENTERS PRESENTS:

Fall into Peace

2016 Fall Women's Retreat
September 30th - October 2nd

It's okay, you can relax. Fall back. Your Heavenly Creator has got you.

Life these days is filled with struggle. Our world is on fire with struggles in politics. It's a struggle to live in families with so much brokenness. It is a struggle to get all that we need done, when we are being pulled in a million different directions. In all that struggle, where is anyone to find peace?

We find peace in the One who created us.

Pioneer & Rimrock

Come join sisters in faith, as we step away from the daily struggle and fall into the peace of God, through prayer, worship, and reflection in joyful company. As we nurture practices of peaceful living for our daily lives, we will experiment with creative and fun ways to journal.

The program will be held at Pioneer Lodge. Activities will start Friday evening, September 30th and will end Sunday morning, October 2nd.
